

# Dr. Anissa Short

## ~ The Success Strategist ~

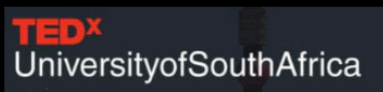

- BBA & MBA - Business Administration
- PhD - Administration
- Certified Christian Life Coach
- Digital Course Curator
- Publishing Consultant
- International Best Selling Author
- TEDx Speaker & Emcee

As a conference speaker, best-selling author, and host of summits and workshops, Dr. Short has served to educate, empower and encourage women and female entrepreneurs since 2008.

Her online course serves home-based entrepreneurs with the building blocks needed to establish a successful brand. Her principled messages, often filled with comical antidotes have been shared on numerous platforms, including the Forbes Business Council stage, and national and international TEDx stages. Whether serving as a keynote or emcee, she is sure to inspire.

### Keynotes

- What Do You Have In Your House? - Building a business from home not only makes cents, but it also makes sense. This message details the benefits of home-based entrepreneurship and the practicality of this for almost everyone
- 7 Keys To Success - Success personally and professionally is the goal. The seven keys detailed offers the audience a blueprint to build a strong foundation that supports growth and success.
- The Confident Woman - Confidence is a Superpower. The audience for this message is one committed to building confidence within themselves and others.
