About me

As a conference speaker, best-selling author, and host of summits, and workshops, Dr. Short has transformed her decades of professional and entrepreneurial experience into engaging events that serve to educate, empower and encourage.

Her online course, Foundations to Success, serves to offer home-based entrepreneurs with the building blocks needed to establish a successful brand.

Her principled messages, oftentimes filled with comical antidotes have been shared in various networking circles, retreats, summits, the Forbes Business Council stage, and the University of South Africa TEDx stage. Whether serving as a keynote or emcee, she is sure to inspire.

Education

- Doctorate in Administration
- Master in Business Administration
- Bachelor in Business Administration
- Certified Christian Life Coach
